Volunteer Application

Volunteers are a valuable part of the Mount Vernon Public Library. As a volunteer at the library you will connect with a world of literacy, cultural diversity and learning. Volunteers help improve library services in many ways. They provide valuable hours of assistance to the public and library staff. Some duties that our volunteers assist us with are:

- Shelving Materials
- Straightening and putting materials in order
- Mending and materials processing
- Teaching Computer Skills
- Programming Participation
- Sharing life skills
- Reading Buddies
- Advocacy for libraries at public hearings and meetings
- Beautification of the library and grounds
- English Conversation Groups
- Exhibitions

What type of work interests you?

The library accepts a limited number of adult and young adult volunteers on an ongoing basis. We regret that we cannot always accommodate all applicants. Volunteer applicants are kept on file for one year, with potential volunteers selected and contacted as the need arises. You may want to also explore volunteering with the **Friends of the Mount Vernon Public Library**.

Training will be provided by library staff. Volunteers generally work during the week, Monday through Friday during hours that fit your schedule. You will be contacted for volunteer opportunities as they become available. If you are interested in volunteering your time, please fill out the application form and submit it online or print it out and drop it off at the library. You may also mail your application to Doreen McQueen, 28 South First Avenue, Mount Vernon, NY 10550.
