MOUNT VERNON PUBLIC LIBRARY RECIPIENT OF FUNDING FROM STATE LIBRARY CONSTRUCTION PROGRAM

MONIES TO BE USED FOR CAPTIAL CONSTRUCTION PROJECTS

Mount Vernon, NY – The Mount Vernon Public Library has been awarded $76,875 from the New York State Education Department State Aid for Library Construction Program.

The library’s capital construction projects will include several improvements including the installation of a code compliant floor restoration in the technical services area, provide automation to allow for 24 hour access for media borrowing as well as improved accessibility to the Children’s Library which will consist of an automated closer/opener to be installed at the exterior door to improve accessibility and will also address upgrades to plumbing and mechanical installations that support existing restroom facilities.

Completion for all the projects is anticipated to take up to two years.
