

MESSAGE FROM THE PRESIDENT OF THE TRUSTEE BOARD

Dear Patrons:

Since 1958, Mount Vernon Public Library has been the Central Library for the Westchester Library System. We have resources that are not available at any other Westchester library. Recognizing our unique qualifications, I am pleased to inform you that the Westchester Library System has, once again, designated The Mount Vernon Public Library the Central Library of Westchester County.

We are extremely proud of this designation and are working diligently to provide the public with the most up to date technology and materials to make their library visit a rewarding one.

The library is more than just books. We invite you to visit and see for yourself the many programs, movie screenings,

technology, and concerts and, of course, books, that make the Mount Vernon Public Library the premier cultural institution in Mount Vernon.

We look forward to seeing you.

Oscar Davis Jr., President

Reverend Darren Morton

SPRING 2018

WHAT'S NEW

What's
New

SELF-CHECKOUT -

Checking out your books has just become easier with the installation of two self-checkout systems. Located on the main floor near the Circulation desk in the Adult Department and in the Children's Room, patrons can check out their books. Easy to follow instructions are displayed on the screen. Materials can also be renewed and fines can be paid in cash.

READ DOWN YOUR FINES -

If your books are overdue, the library has a program to help you READ DOWN YOUR FINES and earn library bucks used to pay the charges. It's fun and easy to earn the "bucks." See the reference librarian for more information.

WHAT IS KANOPY?

KANOPY is an award-winning video-streaming service providing access to independent and documentary files. Access is available on our website. All you need is your library card to set up your login and password. And best of all, it's a free service provided by the Mount Vernon Public Library.

***DON'T FORGET TO
