FOR IMMEDIATE RELEASE
February 16, 2022

LIBRARY CONTINUES CURBSIDE SERVICE UNTIL WEDNESDAY, FEBRUARY 23, 2022

The Mount Vernon Public Library will continue providing curbside service for Teens and Adults while the contractors complete the window work on the main floor of the building. The windows are expected to be completed early next week and the library is expected to reopen to the public on Wednesday February 23rd. The Children's Room will be open and fully functional for its normal hours during this period.

Curbside pick-up will be available during the Library's normal operating hours; please note that the Library is closed on Monday, February 21st for Presidents' Day.

Curbside Pickup Procedure:

1. Place your hold (reserve) for library materials by email: mtvref@wlsmail.org, phone: (914)-668-1840 Ext. 219/220, or visit our online catalog at www.MTVPL.org
2. Come to the First Ave. side of the Library building
3. Call the library to let us know you are outside (914-668-1840 Ext. 213)
4. Meet us inside the lobby of the Library for pickup! (Please have your library card available for verification)

While Curbside pick-up is in operation:

- Services such as applying for new library cards, address changes, printing, etc. which are normally handled by the Adult Circulation Dept. will be available in the Children's Room for teens and adults. While unaccompanied teens and adults will be allowed into the Children's Room to conduct their business at the Circulation and Reference Desks, they must exit the Children's Room once they have completed their business.
- Our book drops will remain open.
- WiFi can be accessed 24/7 from outside the library building.
- The media box will remain accessible to borrow the latest movies and music.
- Online services, including e-books, e-audio, e-magazines and streaming services are available 24/7 with a library card in good standing.

We apologize for the delay in reopening and for any inconvenience this temporary service limitation may cause. We look forward to welcoming the public back into a brighter building upon completion of the window project.
