

A STEM ALLIANCE PROGRAM

Complete this 15 hour program & earn a new Chromebook!

TECH SKILLS PROGRAM FOR AGES 60+

What you'll be able to do with your new tech skills:

- Connect online with family, friends, and services
- Safely browse for interesting clubs, groups, and community activities while avoiding scams and fake websites
- Access museums, concerts, and historical sites for free — all from the comfort of your home
- Complete online tasks yourself — no need to ask for help!
- Keep up in today's digital world!

LEARN HOW TO:

Send & receive email

Search for relevant information

Keep track of appointments with Google Calendar

Use dictation to aid writing tasks
