2. Period of Public Expression

Subject  2.1 Public Comments

Cheryl Thomas- Expressed the Board purchasing Ipad{s}, but the staff still has not received a raise. The directors in the past controlled the library funds. It is not right that the trustees are spending the library money.

Nishan Stepak- Expressed his support for Evania Thompson, she solves problems.

Trustees Responses:

Brian Johnson addressed Ms. Thomas statements, still in the process of bargaining with the union, he fully supports the employees. Does not like to be accused of a crime, it is not fair or accurate. Trustees donate many hours to serve and spend very little funds.

Cathlin Gleason did not like the comment made by Ms. Thomas. The Ipad{s} belongs to the library. Trustees are on call 24 hours. Questions in regards to money should be directed to the union.

Mr. Newman allowed to comment: mentioned the statement in regards to negotiations is misleading. The library has not responded. The attorney speaks for the Board.

Brian Johnson-The matter will not be discussed further in an open meeting.
Darren Morton, it was shameful to make such a comment, and I would never steal anyone money, I am always respectful. Expressed, it's okay to express yourself but to make such a statement is shameful. The Ipads are for business and will help the library move forward.
