3. New Business

Subject 3.1 Budget Proposal Scenario and comments

Meeting Feb 26, 2018 - Special Meeting

Category 3. New Business

Type Information

Proposed budget scenario presented by Jose Alvelo would be 1.5% with 2% being the highest proposed amount.

Question presented to the director, which percentage should the library considered.

The Director expressed that after given the matter thought, the library should not go out for an increase, she has received calls from residents that their property taxes are too high and that this is also an election year for trustees. She feels the public needs a break.

Questions by the Board presented to the Director and Jose Alvelo (Treasurer).

Trustee Johnson: If there is no increase can we maintain the library expenses? The Director replied, "yes".

Trustee Gleason: What avenues have been taking to bring in additional funding? The Director replied, they has been a slow down on bid grants because they were close to expiring.

Trustee Johnson: The budget keeps the library at a workable level, an expressed he is not clear as to the effort made to keep the library moving forward. What are the plans to show how the library is moving forward?

Trustee Gleason: The strategic plan was put together for a purpose. No where in the budget presented does it shows the things the library needs, remodeling circulation, children programs, more staff, carpeting, teen area, etc. There is nothing tangible in the budget presented.

The Director stated, that her and Jose had spoke but they had not made any decisions.

Trustee Johnson: there should be milestones, set goal markers! We will never get outside money if we can not articulate what our needs are.

Trustee Morton: How much will each proposed percentage effect each household? What are the fixed expenses? The problem the trustee's are having is the library is being managed and not being led. Neither of you (director, and Treasurer) are leading nor have expressed the financial vision. Where is the capital fund? You must still think how we can best manage the library. Is there an operational gap? Leadership for the library must take an assertive roll. If the director is in every meeting then the Board should be briefed on the needs of the library.

Trustee final remarks

Trustee Davis: The budget proposal must go back and be re-done

Trustee Gleason: there isn't a lot of time you must go back and get this fixed

Trustee Johnson: this must be done by next Wednesday 3/7/18
